

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Rachel Lather—Santa Cruz County Sanitation District
Applicant's Agent	Nicholas Tomera — EDAW, Inc.
Project Name	Aptos Transmission Main Relocation
Receiving Water	Aptos Creek
City/County	Capitola/Santa Cruz
Public Notice	11/25/08 to 12/15/08
Project Description	<p>The purpose of this project is to replace 4.13 miles of sewer lines, conduct pump station improvements, and construct four new pump stations.</p> <p>The project activities include: directional drilling under Aptos creek to install a new sewer line that will require an approximate 10-foot by 10-foot impact area at the entrance and exit of the bore.</p> <p>No compensatory mitigation was proposed for this project.</p> <p>A Mitigated Negative Declaration has been submitted for this project.</p>
